- So for example, teams could include MLD, SLD, Deaf, Hearing Impaired and Autistic children.

### Event Details:

There will be a maximum of 6 teams (schools) in total. In their school team, pupils will rotate and compete across a range of activities from the Secondary Xtend Panathlon menu. We hope to include: field athletics, volley ball, new age kurling, floor tennis, precision bean bag, ten pin topple and Harlem hoops.

Schools will collect and accumulate points as they rotate around the stations. There will be no mixing between schools – each school team will stay together throughout rotations.

You can expect the format to be very similar to your local area competition. The following video will give you an idea of what to expect:
